DEDICATION

TO

FOREWARD

With the co-operation of the numerous student organizations listed herein, the Christian Associations present you with this Student's Handbook. In the editing of the book much time and effort have been spent that it may be correct in every detail, and that all material might be included that is of interest or helpful. The editors have welcomed assistance from anyone who wished to aid in the consummation of this task.

Previous to last year the University of Maryland Students' Handbook included information concerning all branches of the University. It was felt, however, that the peculiar needs and interests of the professional schools and of the undergraduate college made separate publications desirable and the first all-College Park book was introduced. We feel that the experiment was successful and follow the precedent set in 1928, endeavoring to make this volume more complete and useful.

It is our sincere hope that this little "vest-pocket dictionary" of the University will be helpful to all students, and will be of assistance to the Freshmen in becoming acclimated to their new surroundings.

HISTORICAL SKETCH

The history of the present University of Maryland practically combines the history of two institutions. It begins with the chartering of the College of Medicine of Maryland in Baltimore in 1807, which graduated its first class in 1810. In 1812 the institution was empowered to annex other departments and was by the same act constituted a University by name and under the title of the University of Maryland.

For more than a century the University of Maryland stood almost as organized in 1812, until an act of the Legislature in 1920 merged it with the Maryland State College and changed the name of the Maryland State College to the University of Maryland.

The Maryland State College first was chartered in 1856 under the name of the Maryland Agricultural College, the second agricultural college in the Western Hemisphere. In 1862 Congress passed the Land Grant Act and the then Maryland Agricultural College was named the beneficiary of the grant in Maryland. Thus, the college became, at least in part, a State institution. In the fall of 1914 its control was taken over entirely by the State. In 1916 the Legislature granted a new charter to the College and made it the Maryland State College.

THE BALTIMORE BRANCH

The group of buildings located at the corner of Lombard and Greene Streets provides the available housing for the Baltimore division of the University. There are no grounds other than the sites of these buildings. The group comprises the original Medical School building erected in 1814, the University Hospital, the Law School building, and the School of Pharmacy which is located at 6 and 8 South Greene Street, in close proximity to the other three buildings. The enrollment in the Baltimore division is close to sixteen hundred, which is about three hundred more than the undergraduate enrollment at College Park. The total number of students in the University of Maryland, including the Summer school and the Graduate school is thirty-seven hundred.

The School of Medicine of the University of Maryland is one of the oldest foundations for medical education in America, ranking fifth in point of age among the medical colleges of the United States. In the school building at Lombard and Greene streets in Baltimore was founded one of the first medical libraries and the first medical college library in America.

Here for the first time in America, dissecting was made a compulsory part of the curriculum; here instruction in Dentistry was first given (1837), and here was first installed independent chairs for the teaching of diseases of women and children (1867), and of eye and ear diseases (1873).

The Baltimore College of Dental Surgery was chartered by the Maryland Legislature February 1, 1840. It was the first institution ever organized to offer instruction in the art and science of dentistry. It has continued with an unbroken record and remains the oldest dental school in the world.

GREETINGS FROM THE PRESIDENT

*To the Students of the
University of Maryland.*

New students in the University of Maryland are cordially welcomed.

The University is an educational institution, and the educational spirit is fostered by all members of the staff. We all wish to help the new students to accomplish their high purpose in securing such an education as this University can give. Do not hesitate to ask teachers and older students for advice.

With the education we emphasize the necessity of maintaining good health and right morals. The ideal is for every student to grow in three ways during his or her college life,—educationally, physically and spiritually. To fail in one or two of these three kinds of development is to fail to build the broad and firm foundation for a future life such as a university-trained man or woman should hope to enjoy.

The work is hard, but if you are discouraged remember that countless others have been through the same experience and by reasonably courageous efforts have been successful.

Most failures in college are due to the failure to care for each day's work as the days pass. It is hard to make up lost work. Members of the staff will assist in every way they can those who are behind because of sickness or other good reason.

Remember that when you classify in the University you become one of our family. It will be your duty and your privilege to help keep the campus and buildings in the best appearance and the morale on the highest plane.

With best of wishes and a desire to do all that I can for the new students, I am,

Very sincerely,

R. A. PEARSON,
President.

DR. RAYMOND PEARSON
President of the University of Maryland

YOUNG MEN'S CHRISTIAN ASSOCIATION

The Young Men's Christian Association at the University of Maryland is an organization which endeavors to promote fellowship between the men students of the campus. It acts as a sponsor of general religious work on the Campus, and as a common meeting place for men of all faiths. It is an organization of the students, by the students, and for the students.

The Ideals set forward by the "Y" are these:

1. To lead students to faith in God through Jesus Christ.
2. To lead students into membership and service in the Christian Church.
3. To promote their growth in Christian faith and character, especially through the study of the Bible.
4. To challenge students to devote themselves in united effort with all Christians to making the Will of God effective in human society and to extending the Kingdom of God throughout the world.

Previous to this year the "Y" was under the direction of a Supervisory Committee which was composed of the faculty of the University. Now, however, all religious organizations come under the direction of the University of Maryland Religious Council, which is composed of: the President of the University, the Student Pastors, the president of the Student Government Association, a representative from each religious organization or denomination, and several faculty members.

President Beachy has chosen his Cabinet as follows:

C. Aholt	M. Shoemaker
P. Carman	F. Burton
W. Lines	H. Geary
H. Stier	W. Hammersly

Welcome to the Freshman

The "Y" wishes to extend their heartiest welcome to all new students. The organization is only too glad to give any help or information that it can. All of the members will be glad to help you get started at the University in the right way.

Activities

Last year the "Y" installed a new policy of soliciting no money from any student. This plan worked exceptionally well, and the association intends to continue this policy.

Socials

The "Y" holds smokers at various times throughout the year. Meetings are held twice a month in the "Y" room. They are enlivened with business, entertaining programs and speeches on both religious and current questions.

The "M" Book

The Y. M. C. A. and Y. W. C. A. publish this "M" book, or "Vestpocket Dictionary." In doing this they hope to perform a service to both the students and to the University.

Conferences

The "Y" sponsors and sends representatives to various conferences throughout the year. A very active social and educational program is carried on at these conferences. Conferences attended during the past year were: Johns Hopkins University Conference, Midwinter Conference at Western Maryland, Tristate Conference at Sherwood Forest, and Eagles Mere Conference.

Speakers

The "Y" brings prominent speakers to the Campus several times during the school year. Individual conferences with the visiting speakers are arranged by the Cabinet. In this way any student may get in touch with the religious leaders of the country. They are free to discuss any personal problem with these men.

REGULATION OF STUDENT ACTIVITIES

Association of students in organized bodies, for the purpose of carrying on voluntary student activities in orderly and productive ways, is recognized and encouraged. All organized student activities, except those which are controlled by a special board or faculty committee, are under the supervision of the Committee on Student Affairs, subject to the approval of the President. Such groups are formed only with the consent of the Committee on Student Affairs and the approval of the President. Without such consent and approval no student organization which in any way represents the University before the public, or which purports to be a University organization or organization of University students, may use the name of the University in connection with its own name, or in connection with its members as students.

Eligibility to Represent the University

Only students in good standing are eligible to represent the University in extra-curricular contests. No student while on probation may represent the University in such events as athletic contests, glee club concerts, dramatic performances, and debates.

Discipline

In the government of the University, the President and faculty rely chiefly upon the sense of responsibility of the students. The student who pursues his studies diligently, attends classes regularly, lives honorably and maintains good behavior, meets this responsibility. In the interest of the general welfare of the University, those who fail to maintain these standards are eliminated. Students are under the direct supervision of the University only when on the campus, but they are responsible to the University for their conduct wherever they may be.

Student Government

Last year the students of the University adopted a representative form of government. It operates under a constitution. Its officers are a President, Vice-President, Secretary, and Treasurer. It is modeled after the National Government, being composed of an upper and a lower house. The upper house is known as the Executive Council, and the lower house is the General Congress.

The Congress meets the second week of each month. All students are welcome to attend, but only the representatives are allowed to vote. A General Assembly is held the second week of May each year for the installation of new officers and for a report of the year's work. The Students Executive Council, with the aid of the Committee on Student Affairs, acting as an advisory board to the Council, performs the executive duties incident to managing student affairs. The constitution is printed in this book.

Women Students' Government Association

Women Students' Government Association is an organization composed of all the women students, for the management of all affairs concerning the women students. It operates under a constitution. Its officers are a President, Vice-President, Secretary, and an Executive Council. Its Executive Council has the advisory co-operation of the Dean of Women.

ADMINISTRATION BUILDING

FRESHMAN PROCEDURE

Freshman registration will take place Tuesday, September 17, beginning at 9 A. M. All freshmen are expected to register on this day. Thursday, September 19, is reserved for registering the students of the three upper classes, and freshmen will not be registered on this day.

Dormitories will be ready for occupancy by freshmen Monday, September 16, and the dining hall will be ready to serve dinner to freshmen Monday evening at 5.30.

A special program is planned covering the time between registration day, September 17, and the beginning of the instruction period, Friday, September 20, the object of which is to complete the organization of freshmen so that they may begin their regular work promptly and effectively on September 20. This program includes classification of all freshmen students, medical examinations, psychological examinations, instruction in regard to the departmental and campus facilities and advisory conferences, conducted by the faculties of the several colleges for the students registered in those departments.

TIPS TO FRESHMEN

First of all, remember that you are a freshman. It is apparent at all times, and when you attempt to hide it the result is as prominent as a sore thumb.

Do not imagine that you are lowering yourself by observing the Freshman Regulations. They are to impress upon you the idea that you are no longer a high school senior. You are beginning again, and as such, you must start "on the ground floor." By disregarding the rules, you are not being unique, or admired for your spirit of independence. You are merely laying the foundation for trouble with the sophomores. It is considered a mark of good class spirit, not servility, to act in accordance with freshman tradition.

Get the speaking habit. A habitual cheery greeting to everyone on the campus will do more toward establishing your popularity than any other single act on your part.

If you were a leader in high school, don't advertise it here. In all probability it is known already. Conversely, if you took little part in student affairs in your prep school don't be discouraged. Everyone is given plenty of opportunity at Maryland. There is at least one activity here that is suited to your tastes and ability; find it and stick to it. Also, remember that everyone cannot be a star athlete. Do not skip around from one activity to another needlessly, but on the other hand, do not waste time on one for which you find yourself unqualified.

If you are living away from home don't forget that the folks like to receive a letter, now and then. Establish a certain day for doing this, and then let nothing interfere.

Remember that you are your own master now. You have reached the age when you can differentiate between right and wrong. Your con-

duct on and away from the campus reflects upon the institution. In a large measure you have the good reputation of the University of Maryland in your hands. It remains for you to prove that this trust is not misplaced.

“By your works you shall be known.” Nowhere is this more true than on the university campus. Here at Maryland you cannot bask in the reflected glory of a prominent brother, father or other relative. Opportunities are yours; make the most of them.

Remember that when you enter Maryland you are considered a man. You can do as you please about your work; nobody will make you do it. Be honest with yourself and always keep clearly in mind the fact that you are here for a life purpose.

Don't get “wild” and waste your money; remember that there is a mother or a father at home who believes in you; be a man.

Don't fail to work hard; it does not pay to get behind with your work.

Don't study on Sunday; you do not gain a thing by it; you absolutely need one rest day in every seven; don't loaf so much on week days, and then you will not have to study on Sunday.

Don't think that profanity, cigarettes and drinking “booze” make a true college man.

You will be judged more at Maryland by what you do than by what you say.

Ask for advice from a faculty member; remember that he is your friend.

Don't be afraid to say “No” and stick to it. There will always be company with you at Maryland.

You will never “find” time for anything—if you want time you must make it.

Don't pile up debts—they'll come fast enough.

Come to the Young Men's Christian Association and let the "Y" serve you.

Don't cut out athletics. Get into some form of them and benefit yourself.

Look up your pastor as soon as possible.

Don't cut out the literary society. Join it and get to work.

Join a Bible class. This is one of the most important things to join as soon as you reach Maryland. You will like the discussions.

Don't spend all your time with a few intimate friends, but get into sympathy with many of the fellows.

Stick with that "bulldog tenacity" to anything good you undertake.

Do all the good you can, but keep the knowledge of it under your hat.

Do things in the right proportion. Don't be a "grind."

Be a mixer and a credit to the college.

Take part in student activities; action speaks louder than words.

Finally, be warned against trying to revolutionize the school in your first year. If you do not approve of the regulations the trouble is in your own disposition. They have not proved injurious to hundreds of students who have preceded you. It is your traditional duty to obey the rules during your freshman period, before you are in a position to recommend changes.

TRADITIONS

In the realization that the incoming freshmen do not understand the traditions established by previous classes, it is the purpose of these rules to assist the freshman in finding his place among the students, to instruct him in the spirit of the student body, and to teach him a fundamental lesson—discipline.

Freshmen are required to abide strictly by the following rules, which will be enforced by the student body through the Sophomore Committee on Freshman Regulations.

Freshman Regulations

The following is taken from the Constitution of the Student Government Association:

“Article V, Freshman Regulations. Section I. The Freshman shall be governed by a standard set of regulations drawn up by the Executive Council. Section II. These regulations shall be enforced by the entire student body through the Sophomore Committee on Freshman Regulations; that is, penalties are imposed by the Committee upon the complaint of an Upper-Classman of the infraction of Freshman Regulations.”

1. Freshmen must wear rat caps at all times when on campus.
2. Freshmen must not smoke on the campus.
3. Freshmen must keep hands out of their pockets.
4. Freshmen must not cut across campus and must use only cinder and cement paths.
5. Freshmen must refrain from wearing school insignia of any kind unless earned at this school.

6. Freshmen must enter and leave Administration Building by basement doors and must not loiter around front of the buildings.

7. Freshmen must not sit on stone wall along Washington-Baltimore Boulevard.

8. Freshmen must speak cheerfully to all members of the faculty, upper classmen, and members of their own class. The form of address shall be: for one person, "Sir"; for a number, "Gentlemen."

9. Freshmen must run all errands assigned to them by upper classmen and do all work assigned to them by Sophomore Committee on Freshmen Regulations.

10. Freshmen must work on athletic field when requested.

11. Freshmen must attend all meetings of the assembly (occupying front rows) and all cheer practices, and must learn all college yells and songs.

12. Freshmen must attend all games in a compact cheering section (no dates with girls at games).

13. Freshmen must work in DIAMONDBACK office each Tuesday throughout the year.

14. Freshmen must at all times carry an ample supply of matches.

15. Freshmen must conduct themselves in a gentleman-like manner at all times on and around the campus.

Dining Hall Courtesies

1. Freshmen must line up in twos on lower steps of dining hall.

2. Freshmen must fold their arms during announcements.

UNIVERSITY REGULATIONS

Registration

1. Students should report to the Dean of the College in which they are registered, where they will receive a course card. New students must present a matriculation card. If this card has not been received by mail, arrangements for its issuance must be made in the Office of the Registrar, prior to reporting to the Dean.

2. The course card, properly made out and approved by the Dean, and a registration card obtained in the Office of the Registrar, will be presented at Window One in the Office of the Registrar and a bill for the semester's expenses will be issued.

3. This bill, together with the course card, will be taken to the Cashier's Office, where fees are paid and where the Cashier certifies upon the course card that payment has been made.

4. The course card is then taken to the Sectioning Committee, Room T-211, Administration Building, where section assignments are made.

5. About three hours later the student may obtain class cards in the Office of the Registrar, Window Two.

6. The student places his name, his college, and the date on the class cards and presents at the first meeting of each class the appropriate class card. Students are not admitted to classes without class cards. Instructors will see that this rule is enforced.

7. Within seven days after the opening of the semester, each student must file in the Office of the Registrar, a schedule of his classes. A fee of one dollar is imposed for failure to do this.

8. Students, who for adequate reasons, are more than ten days late in registering must secure permission for entrance into courses from the instructors in charge of the course. Such permission if given must be indicated on the course card. A fee of from \$3.00 to \$9.00 is imposed for late registration.

9. Any change of course is made only on written permission from the Dean involved and is subject to a fee of one dollar after the first week of the semester. After securing such permission from the Dean, the student must present the same to the Registrar at once, who, in turn, issues the student a class card for the course he is entering and withdrawal card is sent to the instructor in charge of the course from which the student is withdrawing. Unless this is done, no credit will be given for the new course, and a failure will be recorded for the course dropped. In general, withdrawal from courses other than elective, will not be granted after the first six weeks of the course.

10. A student who desires to transfer from one college to another must petition the Dean of the college from which he wishes to withdraw on the regular form obtained from the Registrar. The transfer is effected when the blank properly approved is filed in the Office of the Registrar.

Examinations and Marks

11. Examinations at the end of each semester complete the studies pursued to that point.

12. The following grade symbols are used:

A, *B*, *C*, and *D*—Passing.

E—Condition.

F—Failure.

I—Incomplete.

13. Grade *A* denotes superior scholarship; grade *B*, good scholarship; grade *C*, fair scholar-

ship; and grade *D*, poor but passing scholarship.

14. A student who receives the grade of *D* in more than one-fourth of the credits required for graduation must take additional courses or repeat courses until he has the required number of credits for a degree, three-fourths of which carry a grade above *D*.

15. A student with a mark of *E* is conditioned. The grade *E* indicates that though a student has not failed in a course, he has not presented sufficient evidence to pass; in the opinion of the instructor his record in the course has been sufficiently good to justify the presumption that he may secure a passing grade by re-examination or by additional work without repeating the course. The grade *E* cannot be raised to a higher grade than *D*.

16. A student with a mark of *F* has failed in the course. In case of failure in a required course a student must repeat the course. He is required to enroll in that subject again the first time it is offered, if possible.

17. In case a condition or failure is incurred in an elective subject the student may be permitted to substitute only upon recommendation of the head of the Department in which the student is majoring and approval of the student's Dean.

18. The mark of *I* (incomplete) is given only to those students who have a proper excuse for not completing all the requirements of a course. The mark of *I* is not used to signify work of inferior quality. In case where this grade is given, the students must complete the work assigned by the instructor by the end of the first semester in which that subject is again offered, or the mark becomes *F*.

19. Work of grade "D", or of any passing grade, cannot be raised to a higher grade except by repeating the course. A student who repeats

a course for which he has received credit for work done at the University or elsewhere, must meet all the requirements of the course, including regular attendance, laboratory work and examinations. His final grade will be substituted for the grade already recorded, but he will not receive any additional credit for the course.

20. A student must arrange with his instructors at the beginning of a semester for the removal of conditions received in the previous semester. A fee of \$1.00 will be charged for each regular condition examination. No instructor will give a condition examination until a student presents a receipt showing the fee has been paid. Following each condition examination the instructor will report the results to the Registrar.

21. A condition not removed within the succeeding semester becomes a failure.

22. A student transferring to another college will consult with his new Dean regarding the adjustment of his record. A record of this adjustment must be filed in the Registrar's Office.

Absences

23. A student is expected to attend punctually each class and laboratory exercise in each course.

24. In case of extended illness which prevents the attendance of a student at his classes he should promptly notify his Dean.

25. In case of absence 24 hours before or after a holiday, a student will be penalized by the payment of a special fee of three dollars for each course cut. Instructors will report such absences immediately to the office of the Registrar.

Students desiring to be excused from classes

before and after holidays must make application within one week before such holiday. In exceptional cases, such as sickness or death in the family, application for an excuse must be made within one week after the student returns. No excuse for an absence before or after a holiday will be granted after the periods specified.

Probations and Delinquencies

26. If a student receives a mark of failure (*F*) in fifty per cent or more of the semester hours for which he is registered he is automatically dropped from the rolls of the University.

27. A student who does not make a passing mark in at least eight hours of work in which he is enrolled for a given semester, may not continue for the next semester without the permission of his Dean. Where such permission is given the student is on probation, and remains on probation until his deficiencies are removed. A notice of his probationary status will be mailed to the student's parent or guardian.

28. A student while on probation shall not represent the University in any extra-curricular activity such as: participation in athletic contests, the Glee Club, dramatics, debating teams, etc.

Withdrawal from the University

32. A student who desires to withdraw from the University must obtain the permission of his Dean on the regular form obtained from the Registrar and must have filled out a clearance slip. After these forms have been filled out they must be filed in the Office of the Registrar. A student who withdraws without following this procedure forfeits all claims for reimbursements, and is not entitled to a statement of honorable dismissal.

INFIRMARY RULES

7. Members of the faculty, clerical force, and students not paying fixed charges shall not be entitled to free treatment or medical attention by the University Physician or nurse, or to have the use of the Infirmary.

HANDLING OF FINANCES OF STUDENT ORGANIZATIONS

A committee on associated student organizations and activities, appointed by the Council of Administration, comprised of members of the faculty and staff, acts as advisers to the various organizations and as auditors of accounts.

Any organization or activity handling \$200.00 or more during the year comes under the supervision of the committee, and is subject to all rules and regulations laid down by it.

Each organization has its own business manager, secretary and treasurer, who are required to submit reports of all transactions to the chairman of the committee as he may call for them.

No expenditures exceeding \$10.00 shall be made without the approval of the chairman of the committee, requests for such expenditures to be submitted to him with a statement as to funds on hand, or in sight, to cover the expenditure.

A simple and uniform system of bookkeeping is employed by each organization. These books are open for inspection by the committee on student organizations and activities at any time, and submitted to it at the close of each semester for audit. (A representative from the University business office assists in this audit.)

Written contracts are made by all organizations for transactions involving \$25.00 or more, and copies of these contracts are submitted to the chairman of the committee for approval before they are signed.

Officers of all organizations furnish bonds for the faithful performance of their duties. Such bonds must be approved by the committee, and kept on file in the University business office.

At the close of each year, financial statements, after being audited by the committee, showing all receipts and expenditures for the year are published in the **DIAMONDBACK**.

THE YOUNG WOMEN'S CHRISTIAN ASSOCIATION

<i>President</i>	Gladys Bull
<i>Vice-President</i>	Elizabeth Kirkwood
<i>Secretary</i>	Estelle Hoffa
<i>Treasurer</i>	Barbara Schilling
<i>Conference Representative</i>	Hilda Jones

The Y. W. C. A. was organized in 1924 and since then has experienced varying degrees of activity. It is the aim of its members to exemplify all that is high and noble in womanhood; to create among women students an atmosphere of fellowship, and to help others build high Christian character.

For a number of years the Y. W. C. A. has sponsored the Big Sister movement, and in 1928 the association played a large part in the orientation of Freshman to the ways and traditions of the campus.

We welcome you to our campus and invite each of you to join us in the execution of our program.

GREETINGS FROM THE DEAN OF WOMEN

To the old students and to the new students, greetings and a hearty and cordial welcome. Friendship, sympathy and understanding await you here. To the new student I recommend the various student organizations, for the one who lives most fully during her four years in college takes part in the various activities on the campus. However, you must have a sense of values and select a few from the great number of organizations. It is wiser to attempt a few and to do them well rather than to choose a vast number and do them in a haphazard fashion.

We offer to you our Maryland ideals and traditions and ask you to help us perpetuate them.

Sincerely yours,

ADELE HAGNER STAMP.

Dean of Women

WOMEN'S TRADITIONS

In order that the freshman girls may become acquainted with and perpetuate certain traditions, the following list is given:

1. It is the wish of the women of the University of Maryland to help their incoming classmates to become acclimated to college life. For this purpose each one of the new students is adopted by an upper classman as a "little sister." When she arrives on the campus, she is greeted by her "Big Sister," who is ready to advise her about "the ropes."

2. The incoming Freshman Class is expected to obey the "Rabbit Rules" made by the Sophomore Class through the Sophomore Committee on Freshman Regulations.

3. Women who excel in scholarship, leadership, citizenship and Christian character are eligible for the Woman's Senior Honor Society in their senior year. On Baccalaureate Sunday the outgoing Woman's Senior Honor Society elects the new organization from the Junior Class.

4. Each year the Junior Class holds May Day celebration in honor of the Senior Class, out of which they select by ballot the Queen of May and her four maids.

5. On Class Day it has become traditional for the Senior girls to have a ceremony, marching around a blazing bonfire and throwing in their old books.

6. The Women's Student Government Association sends each year a delegate to the National Convention.

7. The Woman's Executive Council holds an annual picnic at the end of the year.

The W. A. A. since its organization in the fall of 1924, has satisfied a long-felt need of an organization for the promotion of organized athletics among the women students.

The Association has been very successful during its four years on the campus and has a very bright outlook. During the past year it put across successfully a Spring tennis tournament and an inter-class basketball series, and established interest in track practice. Because of cold weather the Fall tennis tournament was not completed. Swimming and bowling also were sponsored. The year closed with the second annual banquet of the Association, which was arranged by a special committee and had a large attendance. At this banquet suitable awards were formally presented by the Dean of Women to the girls and teams who had won them during the year.

No girl may play on a team or take other active part in any sport without first joining the W. A. A. This rule is for the purpose of keeping up interest in the organization and for assuring it of having sufficient funds to carry on its work properly.

NEW CHEMISTRY BUILDING

By-Laws of the WOMEN'S STUDENT GOVERNMENT ASSOCIATION

I. LATE LEAVES

The attendance at any function which does not permit a girl to return to her dormitory by 7.30 P. M. from October 1st to April 1st, and by 8 P. M. during September and after April 1st with the exceptions noted below, shall be considered a late leave. After a late leave a girl must return by 12.45 to her dormitory.

Late leaves per year shall be: Freshmen, 1 per month; Sophomores, 2 per month; Juniors, 3 per month; Seniors, 4 per month. Seniors without conditions or failure may take late leave at their discretion after April 1, provided they sign up as usual. Seniors graduating in February and having no conditions or failures may take late leave at their discretion after January 1, provided they sign up as usual. Freshmen and sophomores may borrow and carry over their late leaves, provided they do not exceed 2 a month for Freshmen and 3 a month for Sophomores.

May 1st shall be known as "moving up" day, at which time Juniors assume the regular Senior privileges; Sophomores, the regular Junior privileges, and Freshmen, the regular Sophomore privileges.

All University functions may be attended without late leaves. This includes fraternity dances held in the Park during the week-ends and school dances held off the campus; it does not include fraternity dances held during the week.

School or fraternity dances held on nights before or on holidays do not require late leaves.

Girls returning from late leaves must go to their dormitories immediately.

No week-end spent away from the campus shall count as late leaves.

Attendance to educational plays, lectures, etc., in turn, shall be counted as educational late-leaves.

Grange trips shall also be considered as educational late leaves.

Girls going to the Congressional Library must return to their dormitories in time to be in bed by 10.30.

Girls who are employed in the Park or at the University may stay out to work without taking a late leave, provided they return to their dormitories in time to be in bed by 10.30. Only those girls who are taking care of children in the Park may stay out until 12.45 without taking late leave. In case they cannot return to their dormitories by 12.45 they must make arrangements to stay at the house of the people whose children they are caring for.

During examination week, girls may go home if they have no examinations the following day and that will not count as a late leave. During final examination week in June, girls not having examinations following day may have 10.30 leaves.

Late leaves may be substituted for light-cuts, and if a girl returns early from a late leave she may use her light for the same purposes as a light-cut until 12.45 when her late leave is over.

Definite information must be put on slips when late leaves involve staying away all night. Girls are to sign their own late leave slips and give address of destination whenever possible.

Girls going home to vote must return to their dormitories by 10.30 Tuesday night or be penalized a late leave.

II. DANCES

It is understood that girls will return to their dormitories immediately after the close of all dances. No school dances count as late leaves, so girls should return immediately after such dances.

Girls must return to dormitories by 12.45 after fraternity dances.

The chaperons for University dances, fraternity dances and sorority dances must be approved by the Dean of Women. No student in the dormitories may attend a non-college dance unless the chaperons have been approved by the Dean of Women.

It is understood that the girls at Maryland do not dance on Sunday.

With permission of the House President and House Mother, girls remaining in their dormitories over the week-end may stay up until 12.45 if the majority of the girls in the house have gone to a school function, provided Quiet Hour is observed from 11 P. M. to 12.45 A. M.

SONGS AND YELLS

ALMA MATER

(Maryland! My Maryland!)

Thy sons and daughters throng thy door,
Maryland! My Maryland!
Maryland! oh Maryland!
Their hearts and hopes they bring to thee,
And place them in thy custody,
Proud hearts that pledge their love for thee:—
They come from mountain, farm and shore,
Maryland University!

Go forth, brave youth, throughout the state:
Maryland! My Maryland!
And by your actions, show her great:
Maryland! Our Maryland!
Thy Alma Mater's name and fame,
Oh keep alive her holy flame,
Until all hearts as one exclaim,
Maryland! My Maryland!

Cheer, three times cheer, and one cheer more
For Maryland! Dear Maryland!
Send forth that cry from hill to shore:—
Maryland University!
Fair Mother of our brightest dreams,
Blest giver of life's precious things,
To thee each heart its service brings:—
Maryland! My Maryland!

MY MARYLAND

The despot's heel is on thy shore,
Maryland! My Maryland!
His torch is at thy temple door,
Maryland! My Maryland!
Avenge the patriotic gore,
That flecked the streets of Baltimore,
And be the battle queen of yore,
Maryland! My Maryland!

Thou wilt not cower in the dust,
Maryland! My Maryland!
Thy gleaming sword shall never rust,
Maryland! My Maryland!
Remember Carroll's sacred trust,
Remember Howard's war-like thrust,
And all the slumb'ers with the just,
Maryland! My Maryland!

Maryland

In the very heart of Maryland,
In the heart of every Maryland man,
There's a spirit so endearing
It will win your heart and hand.
For she doth hold sway,
She will win the day,
And her glorious men will ever win the fray.

Chorus

Then it's Hurrah! Hurrah! for Maryland.
Then it's Hurrah! Hurrah for U. of M.
With her banners ever streaming high,
She will always win or die,
Never forget the glories of the past,
Carry on triumphant to the last,
For we love, we love Old Maryland,
Hurrah! Hurrah! Hurrah!

Who Owns This Team?

Who owns this team?
Who owns this team?
Who owns this team, the people say.
Why, we own this team.
Sure, we own this team.
M-A-R-Y—L-A-N-D—HURRAH!

Who'll win this game?
Who'll win this game?
Who'll win this game? the people say.
Why, we'll win this game,
Sure, we'll win this game.
M-A-R-Y—L-A-N-D—HURRAH!

Who owns this town?
Who owns this town?
Who owns this town? the people say.
Why, we own this town,
Sure, we own this town.
M-A-R-Y—L-A-N-D—HURRAH!

U. of M.

(Tune, Caisson Song)

Keep the ball away from them,
Keep that pigskin a-rolling along!
Up the field, down the field,
Not an inch of ground we'll yield,
Keep that pigskin a-rolling along!
Then it's Whiff! Wham! Whack!
Hear that Maryland quarterback
Shout out his signals loud and strong!
Where'er you go, you will always know
That the pigskin is rolling along,
(Shouted) Maryland! Maryland!
Keep that pigskin a-rolling along.

Sons of Maryland

(Tune, Sons of America)

Sons of the Gold,
Sons of the Black,
Fight, No spirit lack.
Your Alma Mater
Needs you today.
To help win the fray.
Shoulder to shoulder,
Back to back,
We'll fight together
For the Gold and Black.
Fair Sons and Daughters
Of Maryland,
Upon you all vict'ries stand.

Chorus

Sons of Maryland,
Old Maryland needs you!
Stand by your colors, boys,
And to them e'er be true!
Fight for old Maryland,
Old Liners! Stand,
Defenders of the Black and Gold
Throughout this land.
Team! Team! Team!

Here's to Old U. of M.

Here's to old U. of M.,
We're out to win again,
Come, give a rousing cheer,
And press on to Victory,
For we're out to win this fray,
We'll show ————— how to play,
For our boys will fight to the end
For U. of M.

Victory Song

Down on the field they're fighting,
Pride of the Black and Gold,
Men, every one of them,
Warriors of U. of M.,
Our honor they'll uphold,
On toward the goal they're marching.
It will not take them long,
So, let's give a cheer,
For the men we hold dear,
And sing to them our Victory Song.

Chorus

Maryland, we're all behind you;
Wave high the Black and Gold,
For there is nothing half so glorious
As to see our men victorious;
We've got the team, boys,
We've got the steam, boys,
So keep on fighting, don't give in!
(Shout) M-A-R-Y-L-A-N-D!
(Sing) Maryland will win!
